

We want everyone taking part in the Ginormous Teddy Bears Picnic to have fun so here you'll find some bear-y good ideas of what to do!

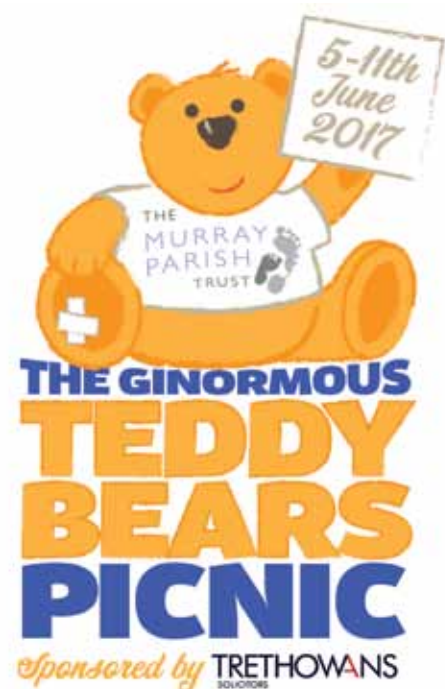

Fun whilst you picnic

We want you to have as much fun as possible so here are some ideas of things to do:

- ◆ Sing along to the Teddy Bears Picnic song. Download the words and there's even easy to sing along to music to help you stay in tune! Follow the link on the website.
- ◆ Build the biggest teddy bear mountain – you can take photos and send them to us if you like.
- ◆ Make teddy bear masks and colour them in
- ◆ Chuck the teddy – borrow a play parachute or use a blanket – bung your teddies in the middle and see whose teddy can go the highest!
- ◆ Arrange a Teddy Bear's treasure hunt.
- ◆ Play hide the teddy – ask your teachers bring their teddies in too on the day and get them to hide them around the building and see who can find them first!
- ◆ We have some lovely pictures that need colouring in. Print them out and start colouring!
- ◆ Why not hold a cake sale after school with bear-themed tasty treats?

Picnic Time

Why not hold your Teddy Bears Picnic during school, pre-school or nursery lunchtime or how about at your local Tots' group at snack time? The picnic can be anywhere, anytime! In the school hall, outside in the playground, at home, in the garden or a park.
